TOWN OF FLORENCE
MASS GATHERING LAW
REGULATING THE ASSEMBLY OF PERSONS
WITHIN THE TOWN OF FLORENCE

Adopted by the Town of Florence Town board
November 5, 2014
Local Law No. 1 of 2014

Town of FLORENCE

Local Law No. 1 of the year 2014

A local law Regulating the Assembly of Persons Within the Town of Florence

Be it enacted by the TOWN BOARD of the Town of Florence as follows:

Section 1. Purpose.

The Town Board of the Town of Florence is concerned about the effect that public events attracting large numbers of persons would have on the health, safety and welfare of the residents of the Town of Florence and of those persons passing through the jurisdiction of the Town of Florence. The concentration of large groups of persons for public events could create problems and demands beyond the capabilities of the existing services and facilities now available in the town, including police protection, the flow of traffic on public highways, noise, and damage and injury to persons and property adjoining the location of such events. The town board is also concerned that adequate provision be made for sanitation and sanitary facilities or services; water supply; food service; garbage and refuse collection and disposal; ambulance service; policing and traffic control; parking facilities and control; and communications systems.

The town board therefore determines that it is necessary for the public order and protection and the safety, health, and well-being of persons and property within the jurisdiction of the town to adopt and establish certain rules and regulations and to regulate and license the holding of public events reasonably expected to attract more than 200 persons.
